## **Overnight accommodation at Haydock Park**

Haydock Park boasts a purpose-built accommodation block with individual rooms to ensure that stable staff have a pleasant stay. Due to the size of The Lodge, we cannot accommodate all staff onsite during busy fixtures, however, we have built a string relationship with a local 4\* hotel where we will provide staff with single occupancy rooms.

We aim to accommodate all reasonable requests from staff and operate an anonymous feedback process in The Lodge so we can ensure that we are meeting the expectations of stable staff.

Under 18's cannot be accommodated at The Lodge or Mercure Hotel.

Information is available on our website: [Here](#)
